## **“Rolling Rabbit RV Repair Launches New Premiere Towable RV Inspection Package and Expanded Services for 2026 Season”**

Rolling Rabbit RV Repair & Inspection is excited to announce a major expansion of its service offerings, including the launch of its Premiere-Level Towable RV Inspection Package, now available for booking throughout the winter and early spring season.

The inspection package—designed specifically for travel trailers, fifth wheels, toy haulers, and all towable RVs—provides an in-depth, comprehensive assessment for both pre-purchase and pre-sale customers.

This includes:

- Full roof-to-chassis inspection
- Electrical & propane system diagnostics
- Safety and structural evaluation
- Water intrusion & sealant analysis
- Appliance testing
- Thermal imaging
- Detailed digital report with photos

Beginning Spring 2026, Rolling Rabbit will also offer:

531 - 395 - 9135

# PRESS RELEASE

---

## ✓ First-Time Owner Walkthroughs (VIP Day)

A hands-on educational session that teaches new owners how to operate every system safely and confidently.

## ✓ Black Tank Cleaning Services

Professional tank flushing and maintenance to prevent odors, blockages, and costly future repairs.

“These new services reflect what RV owners have been asking for,” Jordan says. “Towable buyers deserve high-quality inspections and education—not rushed dealership walkthroughs or guesswork. My goal is to give families, solo travelers, and new RV owners peace of mind from day one.”

Rolling Rabbit continues to serve the Omaha metro with mobile RV repairs, diagnostics, maintenance, winter preparation, and now premiere-level inspections with transparent pricing and customer-first care.
